STILE ESCLUSIVO ITALIANO EXCLUSIVE LIFE STYLE

PRIMONAIP

Vera pelle italiana conciata al vegetale

Tutti gli articoli PRIMONAIP sono fatti a mano secondo il miglior stile italiano e si contraddistinguono per l'utilizzo di pellame conciato al vegetale dalla Conceria Il Gabbiano, sinonimo di qualità ed esclusività. Ogni prodotto PRIMONAIP è un pezzo unico che, con l'uso, otterrà maggior pregio e bellezza grazie alla concia al vegetale che mantiene inalterate le caratteristiche della pelle: rughe e variazioni di colore conferiscono ad ogni manufatto un aspetto unico e non replicabile. Questo tipo di concia che utilizza i tannini, sostanze completamente naturali, trasforma con un processo ecologico la pelle, rendendola completamente bio-degradabile e particolarmente adatta alle persone allergiche ai metalli.

Italian vegetable-tanned leather

All PRIMONAIP articles are hand-made following the best italian-style tradition and they are marked by the usage of vegetable-tanned leather by Il Gabbiano Tannery, synonym of exclusivity. PRIMONAIP products are unique items that will increase in value and beauty while using them. Vegetable-tanned leather is genuine, so imperfections, wrinkles and color irregularities must be considered as a high quality. In fact, vegetable tanning is an ecological transformation that treats leather in the total environmental respect. Thanks to tannins naturalness, this vegetable-tanned leather is completely biodegradable and ideal for all people suffering metals related allergies.

意大利植物鞣革

所有PRIMONAIP的产品均为手工制作，并结合了顶级意式传统工艺。

这些产品被赋予了独一无二的“使用植物鞣制革”的海鸥制革标记。

PRIMONAIP产品的独特之处在于您在使用它们的同时，也增加了其价值和美感。植物鞣革为非人造革，所以小瑕疵、皱纹和不均匀的颜色被视为其高品质的象征。其实，植物鞣革是一项在整个环境中处理皮革的生态改造项目。由于单宁的自然性，这种植物鞣革是可以完全生物降解的，对所有患有金属相关过

The logo features the word "PRIMONAI" in a dark grey, serif typeface. The letter "O" is replaced by a light beige circle with a small dark dot in the center. This central element is part of a larger, light beige graphic that resembles a stylized "U" or a thick, open circle, which frames the text.
